The beautifully decorated with landscape trees on the desolate roundabout delivers the nice spirit to the citizens in front of Yeosu World EXPO Center. That roundabout is the traffic hub and center point of the tourism where the tourists pass without missing to the Odong-do and Yeosu's night sea. City authority expressed 'the Yeosu inside the world rushing to 5 oceans and 6 continents on the round traffic island by containing the willing and vision of Yeosu World EXPO 2012. 3 coconut palm trees symbolizing the unification of 3 Yeosu planted at the center of the traffic island, photinia glabra around and 5 euonymuses and 6 gardenias symbolizing 5 oceans and 6 continents planted at edge. Coconut palm trees are ever green sub-tropical species not necessary for wintering care in Yeosu area and it delivers exotic feeling to the tourists. The photinia glabra surrounding palm trees, symbol of 3 Yeosu unification realized the flame symbolically adding the impulsive force of unified Yeosu City as its new buds are red. A city official told, "such centerpiece was figured to show the sprit and vision of Yeosu City", and " we will spread Yeosu's image of tourism and resort city to the visiting tourists by means of the exotic scenes of warm southern city."
